

About Nationale - Nederlanden

NN Group is an international financial services company, active in 18 countries, with a strong presence in several European countries and Japan. NN Investment Partners' products and services are offered globally through regional centers in several countries across Europe, the United States and Asia, with the Netherlands as its main investment hub.

They are committed to helping their customers secure their financial future, offering retirement services, insurance, investments and banking products. Their customers range from individuals and small and medium-sized companies to large corporates and institutional investors.

They operate through agents, intermediaries and banks, as well as directly with customers through their websites and contact centers.

With more than 15,000 employees, they aim to deliver high-quality service and products. Their approach is committed, straightforward and personal. They seek to offer their customers value for money, freeing them up to focus their resources on what matters to them.

NN Group includes Nationale-Nederlanden, NN, NN Investment Partners, ABN AMRO Insurance, Movir, AZL, BeFrank and OHRA. Formerly part of ING Group, NN Group listed as an independent company on Euronext Amsterdam on 2 July 2014.

Local strengths USPs
