Local strengths USPs

Proximity to their customers is the cornerstone of their business. They focus on their core business of providing people with high-quality and innovative products. With special care they address our customers' needs and devise solutions tailored to meet them. This is only possible through personal contact, face to face and on a local basis. This enables them to understand their customers' situations and to be in a position to help them.

To this end, special care is given to the introduction of new technological solutions, improving business processes as well as fair and prompt payment of claims.

UNIQA is among leading insurers in Private Health Insurance, with long experience and tradition in their products and daily work. UNIQA health insurance provides high-quality and efficient health care in renowned healthcare institutions, assisted by medical staff services MedUNIQA.
