

About Danica Pension

Danica Pension is a pension and life insurance company based in Denmark.

The company operates as a subsidiary of Danske Bank Group. It provides a range of pension and life insurance products to both individual and business customers.

It offers its pension products under various brands, including Danica Balance, Danica Link,

Danica Traditionel and Danica Select.

It also provides health insurance, critical illness insurance, life insurance, and insurance against loss of earning capacity, among others.

In addition, the company offers advisory services on pension schemes.

Local strengths USPs

- A unique online platform for both the employer and the employee including Pension Check, Health Check, online reporting of claims and Netpension where you can both check and make adjustments to the pension scheme.
- Reaching Danica Pension's advisors is possible outside normal working hours and during the weekend.
- Customers with engagements in both Danica Pension and Danske Bank are offered specific advantages and discounts through a Customer Programme.
- From the time they turn 55 and until they retire, Danica Pension's customers are offered a course of meetings that will give them overview of their funds and help them plan the payments.
- Danica Pension helps companies relate to and influence the employee's health. One of the tools is Danica Health Check with which employees both get inspiration and help in relation to how they can prevent illness.
- Danica Pension has entered into a cooperation with Best Doctors who offers a second opinion that is a second look at your diagnosis or recommended treatment. Danica pension is the only pension provider in the Nordic region to offer a second opinion via Best Doctors.
